Dear Parishioners of Holy Family,

After the usual anticipation, our festival has come and gone. It was, once again, a beautiful sight to see everyone come together in such a united effort. This has consistently been the story year after year.

As the festival approached, the current economy has been making the news. Knowing this has had a negative impact on fundraising, there was some question what the outcome would be. However, it can happily be said the end result was still wonderful! For this, let us be thankful to God who continues to bless us.

Thanks are also in order to all who supported the festival, whether by opening their pocket books, or by giving of their time and doing the work required. And thanks to our chairpersons for taking charge: Bernie Seale, Bryan Ellis and Eddie Huse.

In Jesus,

Fr. Greg Korenek
